

CASE STUDY

Property Embedded Capital Allowances

Broadoaks Country House

BROADOAKS COUNTRY HOUSE

The Lake District Hotel and Wedding Venue positioned not too far from the beaten path, but just enough to feel like a world away. Experience the luxury accommodation complete with inglenook fireplaces, period furniture and acres of landscaped grounds offering views across to Windermere.

By claiming the Property Embedded Fixtures and Fittings within a commercial property generates a tax refund where possible and reduces future tax liabilities. Good

Accountants will have an established routine for assessing Capital Allowances, however, we take the search to a whole new level! The key difference that we offer is to add value to the work of a good but non-specialist Accountant. We will visit the property in person to identify items that are not visible on the paperwork.

If you would like to learn more about Capital Allowance Review Service, please get in touch:
