ABOUT ALEXANDRA LODGE CARE CENTRE

Alexandra Lodge Care Centre is a care home with nursing for 37 residents.

They are committed to the interests and welfare of their residents through an effective organisation and management. They aim to provide personal care and treatment for each individual and maintain the high standard of care and practice within a total quality management framework using a holistic approach.

THE REVIEW PROCESS

We will carry out a forensic survey to identify the relevant qualifying items which could highlight and generate tax savings reducing your tax liabilities. Our fees are based purely on success with no upfront cost. We assess free of charge both the availability and viability of a potential claim.
