Capital Allowance Review Service are an award-winning company with over seventeen years of experience in highlighting embedded fixtures and fittings within commercial properties that qualify for tax relief.

Their expertise concentrates on commercial property transactions with the ability to support the legal profession and its requirements to satisfy legislation. With a team of Chartered Accountants, Tax Experts, Ex-HMRC Inspectors, Chartered Surveyors and many other qualified individuals they can reach the highest level of due diligence and offer strong advice to advisors & their clients. Capital Allowance Review Service are keen to continue working with solicitors and become an integral part of their advice when acting on commercial property transactions. A pre-transaction consultation is recommended to ensure the proposed advice/contracts satisfy current legislation and secures the clients wishes before contracts are exchanged.

Special Offer

Capital Allowance Review Service is happy to offer preferential rates to members of The Solicitors Group.
