## ABOUT THE CLIENT

BIMM Institute opens the doors to the music industry. They encourage creative freedom, provide real-world industry experiences and build a community across our eight colleges in the UK, Ireland and Germany.

Students are given access to unrivalled industry connections, experienced lecturers who live and breathe the world of music and the chance to choose from specialist courses such as Songwriting, Electronic Music Production and Music Business.

## ABOUT THE CLAIM

This claim is in respect of improvement expenditure refurbishing five properties. The expenditure was incurred by a limited company over a 17 year period. The level of detail available varied from full schedules to vague stage payments. Physical site inspections were completed for all 5 refurbished properties in order to highlight qualifying items specific to the trade and specialist to the music education sector.

The Capital Allowances highlighted secured tax savings that both recovered tax paid and formed a key part of the company's future tax planning.
